Mick, age 34, has worked as an executive in New York. He's an older, established player, but Austin, age 26, is a fresh face. Mick has been wanting to make a play for a while, but his plans are about to be interrupted. Then Mick learns that Austin has an eye for him... Taneisha Taylor, age 19, is a beautiful, slender college student. She's a sophomore at the University of Alabama, studying journalism. She's also a top center fielder and pitcher for the Crimson Tide softball team, leading the squad to a national championship in her first year on the varsity squad. Her style is head turning, Taneisha's a ladies man and as she visits Mick's dressing room on the Bel Ami set, he sees that she's also playing hardball. Taneisha will have her hands full dealing with Mick, as she must choose between them! Mick loves the girls and the way they play hard and love sex. He's used to being the best. He's been in the big leagues all these years and he's been playing on the team that has won championships every year since he got to college. He doesn't need the time to think about how long he has been doing what he loves and always got his way. But his good life is about to take a major turn for the worse. As the next season of Bel Ami begins, Mick will have to choose between his new flame, the team and his former team. But Mick doesn't always play fair. Mick will deal with his love life and the pressures of fame on a new set designed to make him the ultimate porn superstar. If there's anything these guys don't know about him it's his secrets. You'll see new twists and turns from Mick Lovell as he deals with the pressures of fame, his past and his love life. And Austin Merrick makes his debut in Mick's world as he becomes one of his biggest rivals. Part of the Bel Ami collection, which includes five books, featuring top boy actors and models.
